RECOMMENDATIONS

- 1. Approve the proposed Amendment No. 1 (Amendment) to Contract No. 3996 (Contract), in the form attached hereto as Attachment 1, to extend the term of the Contract by twelve months, subject to the approval of the City Council and the City Attorney as to form;
2. Find, in accordance with Charter Section 1022, that it is necessary, feasible and economical to secure these services by contract as the Department of Recreation and Parks (RAP) lacks sufficient and necessary personnel to undertake these specialized professional services;
3. Direct the Board of Recreation and Park Commissioners (Board) Secretary to transmit the proposed Amendment to the City Council and the City Attorney;
4. Authorize the Board President and Secretary to execute the Amendment upon receipt of necessary approvals; and,
5. Authorize RAP Staff to make any necessary technical changes to implement the Board's intentions.

SUMMARY

RAP continues to require the purchase and installation of playground and sport/recreation equipment, site amenities, shade, tiles and tile surfacing, turf and tiles, delivery and related

## BOARD REPORT

PG. 2 NO. 24-249

products and services on an occasional and as-needed basis in order to build new, and retrofit and repair existing, park property.

Contract No. 3996 with BCI Burke Company, LLC (Contract), which allows the contractor to provide playground and sport/recreation equipment, site amenities, shade, tiles and tile surfacing, turf and tiles, delivery and related products and services was approved by the Board on October 19, 2023 pursuant to Board Report No 23-181; the Contract is attached hereto as Attachment 2. The Contract made use of (piggybacked) Sourcewell's competitively bid contract with BCI Burke Company, LLC – a master intergovernmental cooperative purchasing agreement, which was competitively bid through a process wherein all purchasing parties were guaranteed the greatest discounted off-catalog pricing of products and services. The term of this cooperative purchasing agreement was originally scheduled to expire on February 17, 2025, but the parties recently exercised a one-year option to extend the term to February 17, 2026 (Attachment 3). This extension provides additional flexibility to RAP and other parties whose contracts relied on Sourcewell's cooperative purchasing agreement to lengthen the term of their own contracts.

Under the proposed Amendment, the term of the Contract will similarly be extended to February 17, 2026. The maximum contract amount would remain \$4,000,000.00 per year for the playground and sport/recreation equipment, site amenities, shade, tiles and tile surfacing, turf and tiles, delivery and related products and services. This amount is an estimate, and RAP does not guarantee that the maximum contract amount will be reached.

If the Contract is not extended, RAP could not immediately access BCI Burke Company, LLC's services during the one-year extension period. RAP does not anticipate Sourcewell and BCI Burke Company, LLC entering into another contract prior to the expiration of the existing purchasing agreement.

### TREES AND SHADE

No projects are currently associated with this proposed Amendment. As such, there is no direct impact on trees or shade.

### ENVIRONMENTAL IMPACT

No projects are currently associated with this proposed Amendment. As such, there is no direct environmental impact to be assessed at this time.

### FISCAL IMPACT

Executing the proposed Amendment will enable RAP to carry out various construction and maintenance projects on an occasional as-needed basis, and has no immediate impact to RAP's General Fund as funding will be identified on a per project basis.

### STRATEGIC PLAN INITIATIVE AND GOALS

## BOARD REPORT

PG. 3 NO. 24-249

Approval of this Report advances RAP's Strategic Plan by supporting:

Goal No. 3: Create and Maintain World Class Parks and Facilities

Goal No. 4: Actively Engage Communities

Outcome No 4: The health of young Angelenos, particularly children of low income families, is improved through greater access to regional parks.

Result: The approval of this Report will enhance RAP's ability to achieve greater community engagement and participation throughout the City's vast park system

This Report was prepared by Brenda Velasco, Management Assistant, and reviewed by John Busby, Senior Management Analyst II.

## STANDARD PROVISIONS FOR CITY CONTRACTS

### PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

### PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

### PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

#### **PSC-4. Integrated Contract**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

#### **PSC-5. Amendment**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

#### **PSC-6. Excusable Delays**

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

#### **PSC-7. Waiver**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

## **PSC-8. Suspension**

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

## **PSC-9. Termination**

### **A. Termination for Convenience**

**CITY** may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

### **B. Termination for Breach of Contract**

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
  - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
  - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
  - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
  - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
  6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
  7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
  8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

**PSC-10. Independent Contractor**

**CONTRACTOR** is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

**PSC-11. Contractor's Personnel**

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

**CONTRACTOR** shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

#### **PSC-12. Assignment and Delegation**

**CONTRACTOR** may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

#### **PSC-13. Permits**

**CONTRACTOR** and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

#### **PSC-14. Claims for Labor and Materials**

**CONTRACTOR** shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

#### **PSC-15. Current Los Angeles City Business Tax Registration Certificate Required**

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

#### **PSC-16. Retention of Records, Audit and Reports**

**CONTRACTOR** shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

#### **PSC-17. Bonds**

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

#### **PSC-18. Indemnification**

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-19. Intellectual Property Indemnification**

**CONTRACTOR**, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-20. Intellectual Property Warranty**

**CONTRACTOR** represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

#### **PSC-21. Ownership and License**

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

**CONTRACTOR** agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

**CONTRACTOR** shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein.

**PSC-22. Data Protection**

- A. **CONTRACTOR** shall protect, using the most secure means and technology that is commercially available, **CITY**-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). **CONTRACTOR** shall notify **CITY** in writing as soon as reasonably feasible, and in any event within twenty-four hours, of **CONTRACTOR’S** discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. **CONTRACTOR** shall begin remediation immediately. **CONTRACTOR** shall provide daily updates, or more frequently if required by **CITY**, regarding findings and actions performed by **CONTRACTOR** until the Data Breach or Security Incident has been effectively resolved to **CITY’S** satisfaction. **CONTRACTOR** shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with **CITY**. At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.
- B. If **CITY** is subject to liability for any Data Breach or Security Incident, then **CONTRACTOR** shall fully indemnify and hold harmless **CITY** and defend against any resulting actions.

**PSC-23. Insurance**

During the term of this Contract and without limiting **CONTRACTOR’S** obligation to indemnify, hold harmless and defend **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). The insurance must: (1) conform to **CITY’S** requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. **CONTRACTOR** shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

**PSC-24. Best Terms**

Throughout the term of this Contract, **CONTRACTOR**, shall offer **CITY** the best terms, prices, and discounts that are offered to any of **CONTRACTOR’S** customers for similar goods and services provided under this Contract.

**PSC-25. Warranty and Responsibility of Contractor**

**CONTRACTOR** warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR'S** profession, doing the same or similar work under the same or similar circumstances.

**PSC-26. Mandatory Provisions Pertaining to Non-Discrimination in Employment**

Unless otherwise exempt, this Contract is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in LAAC Section 10.8 et seq., as amended from time to time.

### INSURANCE CONTRACTUAL REQUIREMENTS

**CONTACT** For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at [www.lacity.org/cao/risk](http://www.lacity.org/cao/risk). The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

### CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

- 1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.
- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

**7. California Licensee.** All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

**8. Aggregate Limits/Impairment.** If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

**9. Commencement of Work.** For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

AGREEMENT BETWEEN  
THE CITY OF LOS ANGELES  
DEPARTMENT OF RECREATION AND PARKS  
AND  
BCI BURKE COMPANY, LLC

FOR AS-NEEDED PURCHASE AND INSTALLATION OF PLAYGROUND AND  
SPORT/RECREATION EQUIPMENT, SITE AMENITIES, SHADE, TILES AND TILE  
SURFACING, INSTALLATION OF BURKE EQUIPMENT, TURF AND TILES, DELIVERY AND  
RELATED PRODUCTS AND SERVICES

This Agreement (“Agreement” or “Contract”) is entered into this 16<sup>th</sup> day of November, 2023, by and between the City of Los Angeles, (herein referred to as “CITY”) a municipal corporation, Department of Recreation and Parks (hereinafter referred to as “RAP”), acting by and through its Board of Recreation and Park Commissioners (hereinafter referred to as “BOARD”), and BCI BURKE COMPANY, LLC (hereinafter referred to as “CONTRACTOR”), CITY and CONTRACTOR shall be referred to hereinafter as the “Parties”.

WHEREAS, CONTRACTOR has been awarded a competitively bid contract by Sourcewell, a cooperative purchasing government agency located in Staples, Minnesota (“SOURCEWELL”), to provide playground and water play equipment with related accessories and services on an as-needed, non-exclusive basis pursuant to a contract (hereinafter referred to as “SOURCEWELL CONTRACT”) awarded by SOURCEWELL to CONTRACTOR, with a term of February 15, 2021 to February 17, 2025, as may be amended (SOURCEWELL CONTRACT #010521-BUR, attached hereto and incorporated herein by reference as Appendix A); and

WHEREAS, in accordance with Charter Sections 371(e)(2) and 372, and Los Angeles Administrative Code Section 10.15(a)(2), CITY finds that it is in the best interest of RAP that competitive bidding is not practicable or advantageous or compatible with RAP’s interests in having available pre-qualified, as-needed contractors as it is necessary for RAP to be able to call on pre-qualified contractors to perform this expert, technical work as-needed and on an occasional, but frequent, basis with each individual project being awarded on the basis of availability of an as needed, pre-qualified contractor to perform the work, the price to be charged and the unique expertise of CONTRACTOR; and

WHEREAS, pursuant to Charter Section 371(e)(8), CITY may piggyback on the SOURCEWELL CONTRACT with CONTRACTOR, because contracts for cooperative arrangements with other governmental agencies for the utilization of the purchasing contracts and professional, scientific, expert or technical services contracts of those agencies and any implementing agreements, are an exception to CITY’s competitive bidding requirements; and

WHEREAS, pursuant to Charter Section 371(e)(10), the services to be provided by CONTRACTOR are for the performance of professional, scientific, expert or technical services and the use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by common law and the Charter because, unlike the purchase of a specified product, there is no single criterion, such as price comparison, that will determine which proposer can best provide the services required by RAP under this Agreement; and

WHEREAS, RAP desires to secure the technical, expert and professional services of a qualified contractor on an occasional and as-needed basis in order to enhance the recreational experience of the public; and

WHEREAS, in accordance with Charter Section 1022, RAP had determined it does not have available in its employ, personnel with sufficient time or necessary expertise to undertake the services provided under this Agreement in a timely manner, and it is more feasible, economical and in RAP's best interest, to secure these services by contract with pre-qualified contractors to perform this work on an as-needed basis based on bids to be received from the prequalified contractors for each qualifying project for services under this Agreement; and

WHEREAS, CONTRACTOR is experienced in providing the services of the type required, is willing to perform such services, and can provide such services to RAP; and

WHEREAS, it is in RAP's best interest to secure these services from CONTRACTOR; and

WHEREAS, RAP has the need for the equipment with related accessories and services offered under the SOURCEWELL CONTRACT on an as-needed basis; and

WHEREAS, RAP has registered online with SOURCEWELL, which is a prerequisite for Participating Public Agencies who wish to use the SOURCEWELL CONTRACT; and

WHEREAS, CONTRACTOR may be invited to bid on projects under this Contract on an as-needed basis (each a "Project"), and, if CONTRACTOR is awarded any such Project, CONTRACTOR has indicated its willingness to provide the necessary services for the Project upon the terms and conditions set forth in (1) this Agreement, (2) the SOURCEWELL CONTRACT, and (3) the bid notice/documents for the applicable Project and CONTRACTOR's response thereto ("Bid Documents"); and

WHEREAS, CONTRACTOR by written communication dated January 31, 2023 attached hereto and incorporated by reference herein as Appendix B, has expressly authorized RAP as a Participating Public Agency, to utilize the SOURCEWELL CONTRACT for the purchase of sports/recreation equipment with related accessories and services.

NOW THEREFORE, RAP and CONTRACTOR hereby agrees as follows:

This Contract is between Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and BCI Burke Company, LLC, 727 Northwest Way, Fond du Lac, WI 54937 (Vendor).

Sourcewell is a State of Minnesota local government agency and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to government entities. Participation is open to federal, state/province, and municipal governmental entities, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada. Sourcewell issued a public solicitation for Playground and Water Play Equipment with Related Accessories and Services from which Vendor was awarded a contract.

Vendor desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and the entities that access Sourcewell's cooperative purchasing contracts (Participating Entities).

**1. TERM OF CONTRACT**

- A. **EFFECTIVE DATE.** This Contract is effective upon the date of the final signature below.
- B. **EXPIRATION DATE AND EXTENSION.** This Contract expires February 17, 2025, unless it is cancelled sooner pursuant to Article 22. This Contract may be extended up to one additional one-year period upon request of Sourcewell and with written agreement by Vendor.
- C. **SURVIVAL OF TERMS.** Articles 11 through 14 survive the expiration or cancellation of this Contract.

**2. EQUIPMENT, PRODUCTS, OR SERVICES**

- A. **EQUIPMENT, PRODUCTS, OR SERVICES.** Vendor will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Vendor's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new/current model. Vendor may offer close-out or refurbished Equipment or Products if they are clearly indicated in Vendor's product and pricing list. Unless agreed to by the Participating Entities in advance, Equipment or Products must be delivered as operational to the Participating Entity's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. **WARRANTY.** Vendor warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Vendor warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Vendor's dealers and distributors must agree to assist the Participating Entity in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that is effective past the expiration of the Vendor's warranty will be passed on to the Participating Entity.

C. **DEALERS, DISTRIBUTORS, AND/OR RESELLERS.** Upon Contract execution, Vendor will make available to Sourcewell a means to validate or authenticate Vendor's authorized dealers, distributors, and/or resellers relative to the Equipment, Products, and Services related to this Contract. This list may be updated from time-to-time and is incorporated into this Contract by reference. It is the Vendor's responsibility to ensure Sourcewell receives the most current version of this list.

### **3. PRICING**

All Equipment, Products, or Services under this Contract will be priced as stated in Vendor's Proposal.

When providing pricing quotes to Participating Entities, all pricing quoted must reflect a Participating Entity's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Participating Entity's requested delivery location.

Regardless of the payment method chosen by the Participating Entity, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Participating Entity at the time of purchase.

A. **SHIPPING AND SHIPPING COSTS.** All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Vendor must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Participating Entities. Participating Entities reserve the right to inspect the Equipment and Products at a reasonable

time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery.

Vendor must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcwell may declare the Vendor in breach of this Contract if the Vendor intentionally delivers substandard or inferior Equipment or Products. In the event of the delivery of nonconforming Equipment and Products, the Participating Entity will notify the Vendor as soon as possible and the Vendor will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Participating Entity.

B. SALES TAX. Each Participating Entity is responsible for supplying the Vendor with valid tax-exemption certification(s). When ordering, a Participating Entity must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Vendor may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Vendor determines it will offer Hot List Pricing, it must be submitted electronically to Sourcwell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcwell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Participating Entities.

#### **4. PRODUCT AND PRICING CHANGE REQUESTS**

Vendor may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcwell Price and Product Change Request Form to the assigned Sourcwell Contract Administrator. This form is available from the assigned Sourcwell Contract Administrator. At a minimum, the request must:

- Identify the applicable Sourcwell contract number;
- Clearly specify the requested change;
- Provide sufficient detail to justify the requested change;
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change); and
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing

restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcewell Price and Product Request Form will become an amendment to this Contract and be incorporated by reference.

## **5. PARTICIPATION, CONTRACT ACCESS, AND PARTICIPATING ENTITY REQUIREMENTS**

A. PARTICIPATION. Sourcewell's cooperative contracts are available and open to public and nonprofit entities across the United States and Canada; such as federal, state/province, municipal, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Participating Entities that can legally access the Equipment, Products, or Services under this Contract. A Participating Entity's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Vendor understands that a Participating Entity's use of this Contract is at the Participating Entity's sole convenience and Participating Entities reserve the right to obtain like Equipment, Products, or Services from any other source.

Sourcewell reserves the right to add and remove Participating Entities to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Vendor's employees may be required to perform work at government-owned facilities, including schools. Vendor's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Participating Entity policies and procedures, and all applicable laws.

## **6. PARTICIPATING ENTITY USE AND PURCHASING**

A. ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, a Participating Entity must clearly indicate to Vendor that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Vendor. Typically, a Participating Entity will issue an order directly to Vendor. If a Participating Entity issues a purchase order, it may use its own forms, but the purchase order should clearly note the applicable Sourcewell contract number. All Participating Entity orders under this Contract must be issued prior to expiration of this Contract; however, Vendor performance, Participating Entity payment, and any applicable warranty periods or other Vendor or Participating Entity obligations may extend beyond the term of this Contract.

Vendor's acceptable forms of payment are included in Attachment A. Participating Entities will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Participating Entity.

B. **ADDITIONAL TERMS AND CONDITIONS/PARTICIPATING ADDENDUM.** Additional terms and conditions to a purchase order, or other required transaction documentation, may be negotiated between a Participating Entity and Vendor, such as job or industry-specific requirements, legal requirements (e.g., affirmative action or immigration status requirements), or specific local policy requirements. Some Participating Entities may require the use of a Participating Addendum; the terms of which will be worked out directly between the Participating Entity and the Vendor. Any negotiated additional terms and conditions must never be less favorable to the Participating Entity than what is contained in this Contract.

C. **SPECIALIZED SERVICE REQUIREMENTS.** In the event that the Participating Entity requires service or specialized performance requirements (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements) not addressed in this Contract, the Participating Entity and the Vendor may enter into a separate, standalone agreement, apart from this Contract. Sourcewell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

D. **TERMINATION OF ORDERS.** Participating Entities may terminate an order, in whole or in part, immediately upon notice to Vendor in the event of any of the following events:

The Administrative Fee must be included in, and not added to, the pricing. Vendor may not charge Participating Entities more than the contracted price to offset the Administrative Fee.

The Vendor will submit payment to Sourcwell for the percentage of administrative fee stated in the Proposal multiplied by the total sales of all Equipment, Products, and Services purchased by Participating Entities under this Contract during each calendar quarter. Payments should note the Vendor's name and Sourcwell-assigned contract number in the memo; and must be mailed to the address above "Attn: Accounts Receivable" or remitted electronically to Sourcwell's banking institution per Sourcwell's Finance department instructions. Payments must be received no later than 45 calendar days after the end of each calendar quarter.

Vendor agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Vendor is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Vendor in any subsequent solicitation. During the term of this Contract, Vendor will maintain coverage for all claims the Vendor may become legally obligated to pay resulting from any actual or alleged negligent act, error, or omission related to Vendor's professional services required under this Contract.

Minimum Limits:  
\$2,000,000 per claim or event  
\$2,000,000 – annual aggregate

Failure of Vendor to maintain the required insurance will constitute a material breach entitling Sourcewell to immediately terminate this Contract for default.

B. CERTIFICATES OF INSURANCE. Prior to commencing under this Contract, Vendor must furnish to Sourcewell a certificate of insurance, as evidence of the insurance required under this Contract. Prior to expiration of the policy(ies), renewal certificates must be mailed to Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 or sent to the Sourcewell Contract Administrator assigned to this Contract. The certificates must be signed by a person authorized by the insurer(s) to bind coverage on their behalf.

Failure to request certificates of insurance by Sourcewell, or failure of Vendor to provide certificates of insurance, in no way limits or relieves Vendor of its duties and responsibilities in this Contract.

C. ADDITIONAL INSURED ENDORSEMENT AND PRIMARY AND NON-CONTRIBUTORY INSURANCE CLAUSE. Vendor agrees to list Sourcewell and its Participating Entities, including their officers, agents, and employees, as an additional insured under the Vendor's commercial general liability insurance policy with respect to liability arising out of activities, "operations," or "work" performed by or on behalf of Vendor, and products and completed operations of Vendor. The policy provision(s) or endorsement(s) must further provide that coverage is primary and not excess over or contributory with any other valid, applicable, and collectible insurance or self-insurance in force for the additional insureds.

D. WAIVER OF SUBROGATION. Vendor waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Sourcewell and other additional insureds for losses paid under the insurance policies required by this Contract or other insurance applicable to the Vendor or its subcontractors. The waiver must apply to all deductibles and/or self-insured retentions applicable to the required or any other insurance

maintained by the Vendor or its subcontractors. Where permitted by law, Vendor must require similar written express waivers of subrogation and insurance clauses from each of its subcontractors.

E. UMBRELLA/EXCESS LIABILITY/SELF-INSURED RETENTION. The limits required by this Contract can be met by either providing a primary policy or in combination with umbrella/excess liability policy(ies), or self-insured retention.

Participating Entities that use United States federal grant or FEMA funds to purchase goods or services from this Contract may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Participating Entities may also require additional requirements based on specific funding specifications. Within this Article, all references to "federal" should be interpreted to mean the United States federal government.

The following list only applies when a Participating Entity accesses Vendor's Equipment, Products, or Services with United States federal funds.

A. **EQUAL EMPLOYMENT OPPORTUNITY.** Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. § 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause is incorporated herein by reference.

B. **DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148).** When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Vendor must be in compliance with all applicable Davis-Bacon Act provisions.

C. **CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708).** Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40

hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

E. CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387). Contracts and subgrants of amounts in excess of \$150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). Vendor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

G. BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED (31 U.S.C. § 1352). Vendors must file any required certifications. Vendors must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any

agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Vendors must disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. Vendors must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

H. RECORD RETENTION REQUIREMENTS. To the extent applicable, Vendor must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The Vendor further certifies that it will retain all records as required by 2 C.F.R. § 200.333 for a period of 3 years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

I. ENERGY POLICY AND CONSERVATION ACT COMPLIANCE. To the extent applicable, Vendor must comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

K. ACCESS TO RECORDS (2 C.F.R. § 200.336). Vendor agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Vendor that are directly pertinent to Vendor's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents.

A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

7	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested equipment, products or services.	JE Burke Company was incorporated in 1920 as a weather-stripping company that quickly expanded to include the design and production of designer radiator furniture. After receiving a request to fabricate a slide for a family friend, JE Burke entered the playground industry and soon playground products were the company's main focus. The company remained family-owned and operated under the JE Burke company name until it was purchased from Greg Burke in 1997 and was incorporated as BCI Burke Company, LLC. Burke just celebrated our 100th anniversary this year. Our mission at Burke is simple: To bring Play That Moves You to communities around the world. Our purpose each and every day is to create quality and innovative playground equipment that inspires us to move. It's what we focus on every day. See attachment Burke History.

In our powder coat system, we utilize phosphate-free chemicals in our cleaning processes, as well as enlist a third-party certified handler to manage any wastes from this process according to State and Federal regulations. We also utilize motion activated lights wherever feasible to reduce the amount of energy consumed in lighting, especially in warehouse and even restroom areas.</p> <p>Design: We design high-quality products with long life expectancies and quality components to extend the useable life of the play space. **Table 9: Warranty**

**Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may upload representative samples of your warranty materials (if applicable) in the document upload section of your response in addition to responding to the questions below.**

Line Item	Question	Response *
42	Do your warranties cover all products, parts, and labor?	<p>Burke stands behind our products like no other playground manufacturer. It starts with Burke Built® quality that is backed by the longest and strongest warranty in the industry – the Burke's Generations Warranty®. We don't prorate your warranty and if a plastic play event needs replacement during the warranty period due to manufacturing defect, we'll replace it for free and give you a brand-new warranty on the part.</p> <p>Burke's hand-crafted quality also means less maintenance is required, which keeps your operating costs low and your playground open for play.</p> <p>The Burke Generations Warranty is the longest and strongest in the industry and shows our commitment to creating spaces that will serve communities for years to come.</p> <p>Labor is not included in Burke's warranty. However, numerous Burke Representatives include a supplemental warranty for labor related to warrant repairs on Burke equipment.</p> <p>Each warranty claim is reviewed on a case by case basis to ensure the full scope of the claim is understood and documented. It is during this review that a decision is made on the cost of labor and if it is to be covered in relation to the claim. See Burke Warranty and Shade Systems Warranty attachments</p>
43	Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	<p>Our warranty is not prorated and replacement parts covered under that warranty will have their own appropriate, full-length warranty instead of being restricted to the balance of the original warranty period which is based on the date it was shipped by the manufacturer. Furthermore, all parts covered under Burke's warranty are shipped free of charge.</p>
44	Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	<p>Burke offers a Back-charge/Reimbursement form as needed (which includes mileage reimbursement) for when products are replaced. Every circumstance is handled individually by Customer Service staff and/or Plant Manager.</p>
45	Are there any geographic regions of the United States or Canada (as applicable) for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell participating entities in these regions be provided service for warranty repair?	<p>Burke has Authorized Representatives across the US and Canada that are able to assist with locating qualified installers for removal or replacement of parts. If there is a territory unrepresented by a Burke Dealer, Burke Corporate will locate a qualified organization to assist with product removal or installation. Many of Burke parts can be simply replaced without needing to rely on outside contractors or installers.</p>
46	Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	<p>Burke does not cover warranty service for parts made by other manufacturers. Burke also takes great care in making sure we do not mix and match our parts with other manufacturers on the same piece of play equipment. Installers will, in most cases, work with whatever equipment is on site, even if it is multiple suppliers, however warranty service should be directed to the original manufacturer if at all possible.</p>
47	What are your proposed exchange and return programs and policies?	<p>If products are returned to Burke due to an error in ordering or the customer has changed their mind on something, parts that can go directly into stock with no additional work are simply put into stock and the customer is credited for those parts. Parts that need additional processing or re-powder coating are assessed a 25% re-stocking charge. If parts are not able to be used (as determined by the Quality Manager) and have to be scrapped, the customer will not receive credit for those items.</p>
48	Describe any service contract options for the items included in your proposal.	<p>Burke does not provide service contract options.</p>

**Table 10: Payment Terms and Financing Options**

Line Item	Question	Response *
49	What are your payment terms (e.g., net 10, net 30)?	There are no credit requirements for governmental entities purchasing with BCI Burke. All governmental entities are granted net 30 day terms.
50	Describe any leasing or financing options available for use by educational or governmental entities.	To assist with financing, Burke partners with NewLane Finance to offer a payment plan for approved customers. See NewLane Finance attachment
51	Briefly describe your proposed order process. Include enough detail to support your ability to report quarterly sales to Sourcwell as described in the Contract template. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the Sourcwell participating entities' purchase orders.	The Burke Representative will receive a signed quotation or purchase order from the Sourcwell customer. The Representative will utilize Burke's internet based ordering system which is available for use by Authorized Representatives only. The system is entirely self-developed and self-managed by our in-house IT and Order Entry Departments. Once the order is placed, our Order Entry Department will process the order internally. The order is carefully reviewed by the Order Entry and Design Departments to ensure the order matches the customer's purchase order including equipment, color, price, requested delivery date, shipping location and any other information pertinent to the order. The Burke Representative will invoice the customer once the order has shipped. All Sourcwell orders will be flagged as such in Burke's system so that Burke's Accounting Department is able to easily identify the Sourcwell orders and generate quarterly reports which accurately reflect Sourcwell order totals.
52	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcwell participating entities for using this process?	Burke is currently not set up to accept P-card payments. If awarded the Sourcwell contract, Burke will carefully consider adding this capability.

**Table 11: Pricing and Delivery**

56	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	<p>Sourcewell customers are able to purchase non-Burke contracted products and services by utilizing the "open market" clause in the Sourcewell contract. Our Representative firms distribute a wide variety of ancillary products including water play, bleachers, park shelters, non-Burke surfacing (PIP, EWF etc.) offering a full turn-key solution for Sourcewell customers. Burke will provide line item quotations for these "open market" items on the Sourcewell quote, and will clearly indicate that these are "open market" goods and/or services. The Sourcewell customer will be required to sign the quotation, which is an indication that they agree to the products and services as quoted.</p>								
57	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	<p>All costs for the project will be indicated as a line item on the customer's quotation. Installation will be charged per the Equipment Installation Rate sheet included in the pricing section. These charges are "do not exceed" rates and do not apply to prevailing wage projects. Please see the Equipment Installation Rate sheet for more information. The customer will be notified of any additional charges that may apply to custom equipment, surface mount or coastal paint options.</p>								
58	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	<p>Due to fluctuating fuel prices, freight rates are quoted on a per project basis, and are valid for 30 days from the quote date. This process includes ensuring that Sourcewell participating entities obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell.	As mentioned in the answer to question 51, each Sourcewell customer order is carefully audited by our Accounting Department, Design Department and Sales Department to ensure everything is to the customer's specifications and according to the terms and conditions of the Sourcewell contract. Burke works very closely with our Representatives and customers to ensure total customer satisfaction throughout the entire process.
63	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.) 70	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	If we are awarded the contract we will monitor our progress and success by measuring activity and revenue generation. The best metrics to capture this are tracking the project dollars quoted using the contract and the order dollars placed using the contract. We can track this by Representative firm and by territory to understand where we are being successful and develop targeted efforts for areas we want to improve.
71	Describe how your offering addresses the needs of user's safety, well-being, and range or level of accessibility?	At Burke, we design and test our products to all applicable safety standards. We are participants in the International Play Equipment Manufacturer's Association (IPEMA) certification program, and our facility and processes are audited by IPEMA and their third-party verifier to participate in the program and maintain certified products. Burke's Engineering and Product Design Manager, Scott Liebelt, is a director on the IPEMA Board of Directors. He attends ASTM and IPEMA meetings to participate in writing, revising, and interpreting the IPEMA procedures and ASTM-1487 standard, which is the consumer safety performance specification for playground equipment for public use. We have six Burke employees from a variety of departments that are Certified Playground Safety Inspectors (CPSI) through the National Recreation and Park Association (NRPA). The design of our playspaces also promotes safety, well-being and accessibility by focusing on not just access but Universal Design. This means designing spaces to be useable for everyone in the community, regardless of ability, level of concentration or age. Not only do we provide a variety of play events that are designed with these principles, but the overall play environment design has the Universal Design lens with play variety and equity as important considerations. In order to create spaces for the well-being and development of all people, we need to design them with engagement, excitement, socialization and community for everyone.
72	Describe how your offering addresses the user's desire to customize the offering (e.g. themes, etc.).	Customizable playspaces can set your playground apart and create an imaginative play experience like no other! Your Burke Representative and our creative Design Team will help you bring your play environment to life and create a space that's as unique as your community with anything from custom vehicles, play panels, photo opportunity panels, storefronts, post toppers, counters, NaturePlay, ClubHouses, barns, airplanes and more! Our Design Team has backgrounds in design, animation, landscape architecture and art and uses their creativity and experience to design a play environment that fosters pretend play and helps children develop friendships and enhance their imaginative skills.

## Proposer's Affidavit

### **PROPOSER AFFIDAVIT AND ASSURANCE OF COMPLIANCE**

I certify that I am the authorized representative of the Proposer submitting the foregoing Proposal with the legal authority to bind the Proposer to this Affidavit and Assurance of Compliance:

1. The Proposer is submitting this Proposal under its full and complete legal name, and the Proposer legally exists in good standing in the jurisdiction of its residence.
2. The Proposer warrants that the information provided in this Proposal is true, correct, and reliable for purposes of evaluation for contract award.
3. The Proposer, including any person assisting with the creation of this Proposal, has arrived at this Proposal independently and the Proposal has been created without colluding with any other person, company, or parties that have or will submit a proposal under this solicitation; and the Proposal has in all respects been created fairly without any fraud or dishonesty. The Proposer has not directly or indirectly entered into any agreement or arrangement with any person or business in an effort to influence any part of this solicitation or operations of a resulting contract; and the Proposer has not taken any action in restraint of free trade or competitiveness in connection with this solicitation. Additionally, if Proposer has worked with a consultant on the Proposal, the consultant (an individual or a company) has not assisted any other entity that has submitted or will submit a proposal for this solicitation.
4. To the best of its knowledge and belief, and except as otherwise disclosed in the Proposal, there are no relevant facts or circumstances which could give rise to an organizational conflict of interest. An organizational conflict of interest exists when a vendor has an unfair competitive advantage or the vendor's objectivity in performing the contract is, or might be, impaired.
5. The contents of the Proposal have not been communicated by the Proposer or its employees or agents to any person not an employee or legally authorized agent of the Proposer and will not be communicated to any such persons prior to Due Date of this solicitation.
6. If awarded a contract, the Proposer will provide to Sourcwell Participating Entities the equipment, products, and services in accordance with the terms, conditions, and scope of a resulting contract.
7. The Proposer possesses, or will possess before delivering any equipment, products, or services, all applicable licenses or certifications necessary to deliver such equipment, products, or services under any resulting contract.
8. The Proposer agrees to deliver equipment, products, and services through valid contracts, purchase orders, or means that are acceptable to Sourcwell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcwell Members under an awarded Contract.
9. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
10. The Proposer understands that Sourcwell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statutes Section 13.591, subdivision 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals become public data. Minnesota Statutes Section 13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
11. Proposer its employees, agents, and subcontractors are not:
  - a. Included on the "Specially Designated Nationals and Blocked Persons" list maintained by the Office of Foreign Assets Control of the United States Department of the Treasury found at: <https://www.treasury.gov/ofac/downloads/sdnlist.pdf>;
  - b. Included on the government-wide exclusions lists in the United States System for Award Management found at: <https://sam.gov/SAM/>; or
  - c. Presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated

by the State of Minnesota; the United States federal government or the Canadian government, as applicable; or any Participating Entity. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this solicitation.

By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - Jessica Westphal, Sales Support Coordinator, BCI Burke Company, LLC

### CERTIFICATION OF COMPLIANCE WITH CHILD SUPPORT OBLIGATIONS

Responders must complete, sign, and return with their response the “Certification of Compliance with Child Support Obligations.”, and agree to comply with all terms and conditions within. Failure to return the signed and completed certification with your response *will* result in your response being deemed non-responsive.

### CHILD CARE POLICIES

This Contract is subject to the policy of the City of Los Angeles regarding City Child Care Policies and Vendor System as adopted by City Council. CONTRACTOR is required to complete the Child Care Declaration statement which is attached hereto as Form D and Form E.

- I. City Child Care Policy and Vendor System – On February 24, 1987, the City Council adopted the Child Care Policy for the City of Los Angeles. This policy acknowledges the importance of quality, affordable, accessible child care to the individual, family, work place and community. The City further recognizes that existing child care services and facilities are not adequate to meet current demand, and that such demand is increasing. Failure to address this critical unmet need will have serious, detrimental effects on the physical, social and economic life of Los Angeles. Thus, the City Child Care Policy was adopted, committing the City to use its resources as educator, employer, model and facilitator to act as a catalyst in expanding the supply of quality, affordable child care in Los Angeles.

The City Child Care Policy includes an item specifically designed to address the development and implementation of child care policies and practices by vendors, as follows:

THE CITY OF LOS ANGELES SHALL ENCOURAGE ALL ITS VENDORS TO ADOPT A STATED POLICY ON CHILD CARE. TO THE EXTENT PERMITTED BY LAW, VENDORS WITH STATED CHILD CARE POLICIES SHALL RECEIVE PREFERENCE IN CONTRACTING WITH THE CITY OF LOS ANGELES.

It is the goal of the City to promote and facilitate the establishment and implementation of child care policies and practices which address the critical unmet local need for quality, affordable child care services.

A company may, after a review and due consideration, determine that child care is not an employee need or that a child benefit/service cannot feasibly be offered by the company. In this case, a written policy statement to this effect would also qualify a company for the vendor preference.

- II. Request Child Care Policy Information from Vendors – All vendor applicants should complete the “Child Care Declaration Statement” form, declaring whether the business has a stated child care policy and/or offers any form of child care assistance to employees. Those vendors indicating they have a stated child care policy for employees should file a copy of said policy along with the “Declaration Form”.

- III. Definition of a Stated Child Care Policy – A “Stated Child Care Policy” is a written statement of intent and/or attitude by an employer regarding the provision of child care assistance to employees.
- IV. Definitions of Child Care Assistance – The following definitions apply to the various forms of child care assistance listed on the “Child Care Declaration Statement.”

# CITY OF LOS ANGELES

## CONTRACTOR RESPONSIBILITY ORDINANCE (Los Angeles Administrative Code Section 10.40 et seq.)

### 1. What is the Contractor Responsibility Ordinance?

The Contractor Responsibility Ordinance (CRO) requires that each department make a determination as to whether prospective contractors are responsible and capable of fully performing the work before being awarded a City contract. The Ordinance also requires prospective contractors to complete a Responsibility Questionnaire that will be posted on the internet for 14 calendar days for public review.

### 2. When was the Ordinance adopted?

The City Council adopted the CRO on November 21, 2000. Regulations implementing the Ordinance were adopted on June 19, 2001.

### 3. Who is responsible for the administration and enforcement of the Ordinance?

Three (3) departments were named as administrative agencies responsible for the administration of the CRO. Each Designated Administrative Agency (DAA) administers the Ordinance for a specific type of agreement. The three DAA's, the type of agreement each DAA is responsible for, and contact information for each DAA is provided in the table below.

Administrative Agency	Agreement Type	Contact Information
Public Works, BCA	Service	Russ Strazella (213) 580-5012
Public Works, BCA	Construction	Russ Struzella (213) 580-5012
General Services	Procurement	Raymond Richards (213) 485-4591

### 4. Are all service, procurement, and construction agreements subject to the CRO?

Generally, an agreement, including one processed as an Authorization for Expenditure (AFE) with a Letter of Agreement, is covered by the CRO if it meets one of the definitions below.

Service agreements: Agreements covered under the general category of a "service agreement" include:

- An agreement for \$25,000.00 or more and for at least three months in which a contractor will provide services to or for the City.
- An agreement for a lease or license of City property if the service to be performed on the property is something that City employees could perform.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement for the grant of City financial assistance for \$100,000 or more if the agreement is for the purpose of economic development or job growth. City financial assistance may also include loans if certain conditions are met. (Refer to Sec. 10.40.0(b) of the CRO.)

Purchase agreements: Purchase agreements are covered if they are for One Hundred Thousand Dollars (\$100,000.00) or more. Agreements to purchase garments are covered if they are for Twenty-Five Thousand Dollars (\$25,000.00) or more.

Construction agreements: All construction agreements are covered, regardless of amount or term.

**5. When did the Ordinance become applicable?**

The Ordinance is being applied to Invitations for Bids (IFB) (including Requests for Proposals, Requests for Bids and Requests for Qualifications, “sole-sourced” contracts, and any other procurement process) released to the public **on or after September 4, 2001**. An agreement entered into as a result of an IFB released prior to that date is not subject to the CRO unless it is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above.

**6. If an IFB is subject to the CRO, what must a department do?**

The department must inform prospective bidders/proposers that the CRO is applicable to the IFB. The department must also include the appropriate Responsibility Questionnaire for bidders/proposers to fill out. Depending on the type of contract to be awarded, one of three Questionnaires may be included in the IFB: Service; Procurement; and Construction.

**7. What is a Responsibility Questionnaire?**

The Responsibility Questionnaire asks for information about the bidder/proposer: business organization or structure; financial resources and responsibility; performance history; prior disputes; and history in complying with laws. Before a department awards a contract, the department will consider information contained in the Questionnaire as part of the review of a bidder/proposer’s responsibility, as well as any information contained in the Office of Contract Compliance’s Contractor Evaluation database [<http://caodocs.ci.la.ca.us/ContEval/>] regarding the proposer’s prior performance on City contracts.

**8. What must a bidder/proposer do when responding to an IFB?**

If the IFB is subject to the CRO, the bidder/proposer must complete the Responsibility Questionnaire and return it to the City department with the proposal/bid/submission of qualification. If a bidder/proposer does not submit a completed Questionnaire with the proposal/bid/submission of qualification, the City department may consider the bidder/proposer to be non-responsive to the IFB and may disqualify the bidder/proposer from the rest of the IFB process.

**9. Is a separate Questionnaire required for each IFB?**

Unless the IFB is exempt, a separate Questionnaire must be submitted for each IFB to which a bidder/proposer responds.

**10. What will the City do with the Questionnaire?**

The department responsible for awarding the agreement will review the information contained in the submitted questionnaires, and if necessary, follow up with the bidder/proposer to clarify any information contained in the Questionnaire. The awarding authority will send the completed Questionnaires to the appropriate DAA. The DAA will post the Questionnaires on the City’s Bidder/Contractor Responsibility website: [www.lacity.org/bidresp](http://www.lacity.org/bidresp). This posting also applies to “sole-sourced” contracts, so the completed Questionnaire from a proposed “sole-sourced” contractor must be forwarded to the appropriate DAA for posting.

### **How long will the Questionnaires be posted?**

The Questionnaires will be posted on the internet for fourteen (14) calendar days. Unless an exemption applies, a department cannot award an agreement until the posting requirement has been met.

### **11. What happens during the fourteen (14) calendar-day posting period?**

The general public will be able to review the Questionnaires posted. If, during the fourteen (14) calendar-day posting period, the DAA receives information that calls into question a bidder/proposer's responsibility, the DAA will investigate the matter. In that case, no agreement may be awarded until the DAA finishes its investigation. Information obtained during the investigation will be provided to the department to consider in its determination of a bidder/proposer's responsibility.

### **12. How does a department know that the posting requirement has been met?**

The awarding department should complete the top portion of the Posting Verification Form and forward it to the DAA along with the Questionnaires. The DAA will complete the bottom portion of the Posting Verification Form and return it to the department when the posting requirement has been met.

### **13. Are contract amendments subject to the CRO?**

If an agreement is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above, it is subject to the CRO. Contractors do not have to submit a Questionnaire; however, the CRO Contract Language must be incorporated into the amended agreement.

### **14. After the agreement is awarded, or the agreement is amended, what does the CRO require the contractor to do?**

The CRO requires a contractor to:

- Comply with all federal, state, and local laws in the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws, which affect employees.
- Notify the awarding authority within 30 calendar days after receiving notice that any governmental agency has started an investigation into violations of, or has found that the contractor has violated, any federal, state, or local law in the performance of the contract.
- When applicable, provide the awarding authority, within thirty (30) calendar days, updated responses to the Questionnaire if a change occurs that would affect the contractor's responsibility and ability to continue the agreement.
- Ensure that subcontractors working on the City agreement comply with all federal, state, and local laws in the performance of the agreement.
- Ensure that subcontractors working on the City agreement submit a Pledge of Compliance to comply with the CRO.

### **15. What happens if a contractor is found to be in violation of the Ordinance?**

The DAA will notify the contractor that a violation has been found and give the contractor ten (10) calendar days to correct the violation. If the contractor fails to do so, the City may terminate the agreement and pursue all available contractual remedies. The City may also hold a non-responsibility hearing and debar the contractor from doing business with the City for five (5) years.

## **What about subcontractors?**

Subcontractors are subject to the CRO, and the contractor must ensure that each of its subcontractors complies with the CRO. Subcontractors do not need to complete a Questionnaire, but they must submit to the awarding department a Pledge of Compliance with the Ordinance before they can start work on a City agreement.

### **16. What if a subcontractor is found to be in violation of the Ordinance?**

Because the prime contractor is responsible for ensuring that all its subcontractors comply with the CRO, the sanctions listed in the answer to Question #16 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

### **17. Are there any exemptions under the Ordinance?**

Generally, two (2) categories of exemptions exist under the CRO:

#### **(1) Agreements exempt from all the CRO requirements:**

- Contracts with a governmental entity such as the United States of America, the State of California, a county, city or public agency of such entities, or a public or quasi-public corporation located therein and declared by law to have such status.
- Contracts for the investment of trust moneys or agreements relating to the management of trust assets.
- Banking contracts entered into by the Treasurer pursuant to California Government Code Section 53630 et seq.

#### **(2) Agreements that are only exempt from the requirement that a bidder/proposer submit a Questionnaire. The contractor must still comply with all other CRO provisions.**

- Agreements awarded on the basis of emergency circumstances when the awarding authority finds that the City would suffer a financial loss or that City operations would be adversely impacted. This exemption is subject to approval by the DAA.
- Agreements for goods or services that are proprietary or available from only one source. This exemption is subject to approval by the DAA.
- Agreements awarded under the authority of Charter Sections 371(e)(5), (6), (7) or (8). The awarding authority must certify in writing that the contract is entered into in compliance with the requirements of those Charter sections.

### **18. Where can I obtain a copy of the Contractor Responsibility Ordinance and the Rules and Regulations?**

All CRO-related information and documents can be found on the CRO website: <http://www.lacity.org/bidresp>.

# CITY OF LOS ANGELES

## LIVING WAGE ORDINANCE

### (Los Angeles Administrative Code Section 10.37 et seq.)

#### 1. What is the Living Wage Ordinance?

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum “living wage” and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the “living wage” rate. The “living wage” is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at [www.lacity.org/bca/OCCmain.html](http://www.lacity.org/bca/OCCmain.html).
- Provide employees with at least twelve (12) paid days off per year for sick leave, vacation, or personal necessity; and at least ten (10) unpaid sick days off per year.
- Tell employees who make less than Twelve Dollars (\$12.00) per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

#### 2. When was the Ordinance adopted?

The LWO was adopted in May, 1997 and amended in January, 1999.

#### 3. What types of agreements are subject to the Ordinance?

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over Twenty-Five Thousand Dollars (\$25,000.00) and for at least three (3) months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.
- An agreement in which the City determines that applying the LWO would be in the best interest of the City.

**4. Is an agreement subject to the LWO if it was entered into before May, 1997?**

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

**5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?**

All employers are required to comply with the LWO's prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

**6. Are all employees covered by the Ordinance?**

Intentionally left blank 8/18/06

**7. Are an employer's subcontractors subject to the requirements of the Ordinance?**

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for the making sure that the subcontractor complies with the LWO.

**8. What happens if an employer is found to be in violation of the Ordinance?**

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to One Hundred Dollars (\$100.00) for each day the violation remains uncorrected.

**9. What if a subcontractor is found to be in violation of the Ordinance?**

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

**10. What can an employee do if an employer is in violation of the Ordinance?**

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

- Back pay for failing to pay the correct wages or correct health benefit premiums.
- Reinstatement and back pay for retaliation.
- Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

**11. Are there any exemptions available under the Ordinance?**

An employer may apply for an exemption based on the following categories:

- Service agreements that are less than three (3) months or Twenty-Five Thousand Dollars (\$25,000.00) or less.
- Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).
- Construction contracts that do not meet the definition of a service agreement.
- Employees who are required to have an occupational license in order to provide services to or for the City are exempt.
- Employers who are party to a collective bargaining agreement (CBA) that has language stating that the CBA shall supersede the LWO.
- Financial assistance recipients who meet the requirements stated in Section 10.37.1(c) of the LWO.
- Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code, Section 501(c)(3) whose chief executive officer's hourly wage rate is less than eight times the hourly wage rate of the lowest paid worker are be exempt. However, this exemption does not apply to child care workers.
- Lessees or licensees who have no more than a total of seven employees and who have annual gross revenue of less than Four Hundred Fifty-Four Thousand Sixteen Dollars (\$454,016.00) (effective July 1, 2009). The qualifying annual gross revenue is adjusted every July.
- One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
- Agreements that involve other governmental entities.

**12. Who is responsible for the administration and enforcement of the Ordinance?**

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance website at <http://bca.lacity.org>.

## LIVING WAGE ORDINANCE STATUTORY EXEMPTIONS

Living Wage Ordinance (LWO) statutory exemptions are now divided into the following three categories:

1. Exemptions that do not require approval from the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC).
2. Exemptions that do not require OCC approval but require a Contractor Certification of Exemption.
3. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.

1. **The following exemptions do not require OCC approval or any Contractor Certification:** Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.

- a. **Less than three (3) months OR less than Twenty-Five Thousand Dollars (\$25,000.00) (LAAC 10.37.1(j)).** Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.
- b. **Other governmental entities (LAAC 10.37.1(g)).** Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.
- c. **Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.
- d. **Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.
- e. **City financial assistance not meeting thresholds (LAAC 10.37.1(c)).** Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:
  - (1) The assistance given in a twelve (12) month period is below One Million Dollars (\$1,000,000.00) AND less than One Hundred Thousand Dollars (\$100,000.00) per year.
  - (2) The assistance is not for economic development or job growth.
- f. **Business Improvement Districts (BID) (LWO Regulation #11).** Service agreements are categorically exempt from the LWO if the services are funded with the BID's assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.

2. **The following exemption categories do not require OCC approval, but the contractor must still submit a Contractor Certification of Exemption from Living Wage (OCC/LW-13).** No OCC approval is required for the exemption to be valid. However, the department must include the Contractor Certification of Exemption with the contract.

- a. **501(c)(3) Non-profit organizations (LAAC 10.37.1(g)):** Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation's highest paid employee is less than eight times the hourly wage rate of the corporation's lowest paid worker. However, the exemption does not extend to Child Care Workers as defined in the LWO Rules and Regulations (an employee "whose work on an agreement involves the care or supervision of children twelve (12) years of age and under."). A copy of the IRS 501(c)(3) Exemption Letter will be required.

Form OCC/LW-10 (Rev. 6/09)

- b. **One-person contractors with no employees (LAAC 10.37.1(f)):** Contractors, lessees, licensees or financial assistance recipients who employ no workers are exempt from the LWO.

3. **The following exemption categories require submission of an application for exemption and OCC approval of the application to be valid.**
- a. **Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12):** Contractors whose employees are covered by a CBA that supersedes the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.
  - b. **Occupational license (LAAC 10.37.1(f)):** Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 – 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.
  - c. **Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)):** Small business that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee:  
(1) employs no more than a total of seven (7) employees; and (2) has annual gross revenues of less than Four Hundred Fifty-Four Thousand Sixteen Dollars (\$454,016.00) (adjusted July 1, 2009). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term. Use the Application for “Small Business” Exemption (Form OCC/LW-20) and submit the application with the documents requested on that form.
  - d. **City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below.** Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LW-10).
    - (1) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
    - (2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).
    - (3) The CFAR would face undue hardship because it employs the long-term unemployed or provides trainee positions to prepare employees for permanent positions (LAAC 10.37.1(c)). REQUIRES COUNCIL APPROVAL.

The Service Contractor Worker Retention Ordinance (SCWRO), effective May, 1996, requires a successor contractor and its subcontractors to retain for a 90-day period certain employees who worked for the terminated contractor or its subcontractors for at least twelve (12) months. (See also Question #7 regarding which employees are covered.)

**2. What is a successor contractor?**

A successor contractor is one who has been awarded an agreement to provide services to or for the City that are similar to those that were provided under a recently terminated agreement.

**4. What does the Ordinance require a terminated contractor to do?**

The SCWRO requires the terminated contractor to provide the awarding authority with the names, addresses, dates of hire, hourly wage, and job classes of each employee who worked on the City agreement for that terminated contractor or its subcontractor. The awarding authority will provide the information to the successor contractor.

- Perform a written performance evaluation of each employee retained under the SCWRO at the end of the ninety (90)-day period.

**6. Do the employees retained under the Ordinance receive any additional protection?**

Employees retained under the SCWRO are employed under the terms and conditions of the successor contractor or as required by law. However, if the agreement the employees are working under is subject to Living Wage Ordinance (LWO), the employees must be paid the wage rate and be provided the benefits required by LWO.

- Not a managerial, supervisory, or confidential employee; or an employee required to possess an occupational license.

**8. What if the successor contractor determines that fewer employees are required to provide the services than were required by the prior contractor?**

The names of the affected employees will be placed in order by seniority within each job classification. The successor contractor is required to retain employees based on seniority. The names of employees not retained will be placed on a preferential hiring list from which the successor contractor must use for subsequent hires.

**9. What happens if an employee is discharged in violation of the Ordinance?**

The employee may bring a lawsuit against the successor contractor. The employee can also submit a complaint to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance which will investigate the complaint.

**10. What if a contractor is found to be in violation of the Ordinance?**

The City may terminate the agreement or pursue other legal remedies.

**11. Who is responsible for administering and enforcing the Ordinance?**

**DEPARTMENT OF PUBLIC WORKS' POLICY**  
**BUSINESS INCLUSION PROGRAM FOR A REQUEST FOR BID (RFB) SUMMARY**

This policy sets forth the Department of Public Works' rules and procedures to be followed by respondents on advertised personal services contracts in regards to the City's BIP outreach requirements. In general, this policy provides that respondents for contracts must demonstrate compliance with the indicators relating to an active outreach program to obtain participation by MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. This BIP is set forth in this policy Statement. Affirmative steps for BIP Outreach documentation are outlined in Paragraph C herein. The BIP Outreach documentation must be submitted as described in Paragraph C herein. Failure to submit the BIP Outreach documentation will render the response non-responsive.
10. Subcontract: For the purpose of this program, the term "Subcontract" denotes an agreement between the prime Consultant and an individual, firm or corporation for the performance of a particular portion of the work which the prime Consultant has obligated itself.
11. For the purposes of this Program, a subconsultant may also be referred to as a subcontractor.
12. Vendor and/or supplier: A firm that owns, operates or maintains a store, warehouse, or other establishment in which the materials or supplies required for the performance of the contract are bought, kept in stock, and regularly sold to the public in the usual course of business. - c. Recognition for materials and/or supplies is limited to sixty percent (60%) of the amount to be paid to the vendor for such materials/supplies in computing the pledged levels of MBE, WBE, SBE, EBE, and/or DVBE participation, unless the vendor manufactures or substantially alters the materials/supplies.

C. **BIP OUTREACH DOCUMENTATION**

It is the policy of the City of Los Angeles to provide Minority Business Enterprises (MBEs), Women Business Enterprises (WBEs), Small Business Enterprises (SBEs), Emerging Business Enterprises (EBEs), Disabled Veteran Business Enterprises (DVBEs), and all Other Business Enterprises (OBEs) an equal opportunity to participate in the performance of City contracts. In order to maximize this participation while minimizing the administrative impact on City staff and RFB respondents alike, the Mayor's Office has developed a BIP. The BIP requires City departments to set anticipated participation levels based on the opportunities presented in their advertised contracts and Department's achievement of its annual goals. A respondent's BIP Outreach to MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs shall be determined by their compliance with the following BIP Outreach process which will be performed on the City's Business Assistance Virtual Network (BAVN). The BAVN can be accessed by going to the City's Webpage ([www.lacity.org](http://www.lacity.org)) and linking onto "Bids, RFPs & Grants" or directly at [www.labavn.org](http://www.labavn.org). Failure to meet the anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels will not by itself be the basis for disqualification or determination of non-compliance with this policy. **However, failure to comply with the BIP Outreach documentation requirements as described in this section will render the RFB response non-responsive and will result in its rejection.** *Compliance with the BIP Outreach requirements is required even if the proposer has achieved the anticipated MBE, WBE, SBE, EBE, and DVBE participation levels.* Adequacy of a respondent's BIP Outreach will be determined by the Board after consideration of the indicators of BIP Outreach as set forth below.

Any technical difficulties while utilizing the BAVN should be reported immediately using the following steps:

1. Email BAVN Support at [ITA.BAVN@lacity.org](mailto:ITA.BAVN@lacity.org).
2. Email Bureau of Contract Administration, Subcontractor Outreach and Enforcement Section (SOE) at [bca.biphelp@lacity.org](mailto:bca.biphelp@lacity.org).
3. If you are not contacted within fifteen (15) minutes during normal City working hours (7:00 a.m. to 4:30 p.m. Monday-Friday), call (213) 847-2605 and ask for an SOE Analyst to assist you.

If the above procedures are not followed as stipulated, incomplete outreach and/or incomplete documentation may not be accepted.

*Each indicator (2-7) is evaluated on a pass/fail basis. All indicators (2-7) must be passed to be deemed responsive. Only BIP Outreach documentation submitted under the respondent's name will be evaluated. Therefore submission by a third party will result in the respondent being deemed non-responsive.*

1	<b>LEVEL OF ANTICIPATED MBE, WBE, SBE, EBE, and DVBE PARTICIPATION</b>
---	--

The respondent has performed a BIP Outreach in an attempt to obtain potential subconsultant participation by MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs which could be expected by the Board to produce a reasonable level of participation by interested business enterprises, including the MBE, WBE, SBE, EBE, and DVBE anticipated percentages set forth on Page 1 herein and to have the respondent meet the subconsulting expectations for the project.

2	<b>ATTENDED PRE-SUBMITTAL MEETING</b>
---	---------------------------------------

The respondent attended the pre-submittal meeting scheduled by the Project Manager to inform all respondents of the requirements for the project for which the contract will be awarded. This requirement may be waived if the respondent certifies it is informed as to those project requirements and has participated in a City-sponsored or City-approved matchmaking event in the prior twelve (12) months.

**Required Documentation:** An employee of the respondent's company must attend the pre-submittal meeting scheduled for this project. Credit may not be given if the employee arrives late or fails to sign the pre-submittal meeting attendance roster. This requirement will be waived if the respondent both certifies in writing that it is informed as to the BIP Outreach requirements for the project and has participated in a City-sponsored or City-approved matchmaking event in the prior twelve (12) months as is evidenced by the event attendance documents.

**Note:** If the RFB states that the pre-submittal meeting is mandatory, then attendance at the pre-submittal meeting is the only way to pass this indicator.

3	<b>SUFFICIENT WORK IDENTIFIED FOR SUBCONSULTANTS</b>
---	--

The respondent has identified the minimum number, as determined by the Department, of specific items of work that will be performed by subconsultants. This will ensure an opportunity for subconsultant participation among MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs.

**Required Documentation:** Outreach via e-mail in the selected potential work items. This outreach must be performed using the BAVN's BIP Outreach system. The outreach must be to potential MBE, WBE, SBE, EBE,

DVBE, and OBE subconsultants who are currently registered on the BAVN. Failure of the respondent to outreach in all of the potential work items selected by the City as potential subconsulting work items may result in the RFB response being deemed non-responsive.

**Note:** City staff will access the BAVN and verify compliance with this indicator after the RFB submission deadline.

4	<b>WRITTEN NOTICES TO SUBCONSULTANTS</b>
---	--

All notifications must be provided utilizing BAVN, and made not less than **fifteen (15) calendar days** prior to the date the RFB responses are required to be submitted. In all instances, respondents must document that invitations for subconsulting bids were sent to available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each item of work to be performed.

**Required Documentation:** E-mail notification in each of the selected potential work items to potentially available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each anticipated work item to be performed. The notification must be performed using the BAVN’s BIP Outreach system. The notification must be to potential subconsultants currently registered on the BAVN. If the respondent is aware of a potential subconsultant that is not currently registered on the BAVN, it is the respondent’s responsibility to encourage the potential subconsultant to become registered so that the respondent can include them as part of their outreach. Notifications must contain areas of work anticipated to be subconsulted, City of Los Angeles project name, name of the respondent, and contact person's name, address, and telephone number. Respondents are required to send notifications to a sufficient number of firms comprised of MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in each potential work item chosen, as determined by the City. What is considered sufficient will be determined by the total number of potential subconsultants in each specific work item.

The City will determine each work area by the North American Industry Classification System (NAICS) code. The following table shows the sufficient number of MBE, WBE, SBE, EBE, DVBE, and OBE subconsultants that need to be notified for each work area.

# of Subconsultants in NAICS Code	% Prime Must Notify	Number Prime Must Notify
1 – 10	100%	1-10
11 – 20	80%	9-16
21 – 50	60%	13-30
51 – 100	40%	21-40
101 – 200	25%	26-50
> 200	10%	20+

A respondent’s failure to utilize this notification function will result in their RFB response being deemed non-responsive.

**Note:** Respondents will not be able to utilize the BAVN’s BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFB response submittal deadline. In utilizing the BAVN’s notification function, respondents will receive a message if they have failed to outreach to a sufficient number of firms when they go to view their summary sheet. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording is perceived to seriously limit potential subconsultant responses. City staff will access the BAVN and verify compliance with this indicator after the RFB submission deadline. Respondents are encouraged to print their BIP Outreach summary sheet prior to logging out as documented proof of their progress.

The respondent provided interested potential subconsultants with information about the availability of project scope, services requested, and other requirements for the anticipated subconsulting work.

**Required Documentation:** Include in Indicator 4, information detailing how, where and when the respondent will make the required information available to interested potential subconsultants. The notification must be performed using the BAVN's BIP Outreach system.

**Note:** For purposes of RFBs, making a copy of the RFB available to potential subconsultants will meet this requirement. At the time a respondent utilizes the BAVN's BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN's Outreach notification function if there are less than fifteen (15) calendar days prior to the RFB response submittal deadline. City staff will access the BAVN and verify compliance with this indicator after the RFB submission deadline.

The respondent has responded to every unsolicited offer sent by a registered subconsultant using BAVN and has evaluated in good faith bids or proposal/bid/submission of qualification submitted by interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. Respondents must not unjustifiably reject as unsatisfactory a proposal/bid/submission of qualification offered by a registered subconsultant, as determined by the Board. The respondent must submit a list of all subconsultants for each item of work, including dollar amounts of proposals/bids/submissions of qualifications received. This list must include an explanation of the evaluation that lead to the proposal/bid/submission of qualification being rejected and the explanation must have been communicated to the subconsultant using BAVN.

**Required Documentation:**

- a) Schedule A List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants;
- b) An online Summary Sheet organized by work area, listing the following:
  - 1) the responses and/or bids received;
  - 2) the name of the subconsultant who submitted the bid/quote;
  - 3) a brief reason given for selection/non-selection as a subconsultant;
- c) Copies of all potential MBE/WBE/SBE/EBE/DVBE/OBE bids or quotes received must be submitted prior to award of a contract by the City;

The reasons for selection/non-selection should be included in the notes section of the online Summary Sheet. If the respondent elects to perform a listed work area with its own forces, they must include a bid/quote for comparison purposes and an explanation must be provided and included on the summary sheet. **All bids/quotes received, regardless of whether or not the respondent outreached to the subconsultant, must be submitted and included on the online Summary Sheet.** To that extent, the City expects the respondent to submit a bid from each subconsultant listed on the online Summary Sheet, including those listed on the respondent's Schedule A. **All potential subconsultants with whom the respondent has had contact outside of the BAVN must be documented on the online Summary Sheet.**

The Summary Sheet must be performed using the BAVN's BIP Outreach system and must be submitted by 4:30 p.m. on the first calendar day following the day of the RFB response submittal deadline.

If a bid/quote is submitted by a firm that is not registered with the BAVN, the respondent is required to add that firm to their Summary Sheet. A respondent's failure to utilize the BAVN's Summary Sheet function will result in their RFB response being deemed non-responsive.

**Note:** For the purposes of this RFB only, letters of intent acknowledging a potential subconsultant's interest in being contacted for work and/or hourly rates for their type of work will be considered the "bids or quotes received." Staff will request copies of all of the bids/quotes received as part of the BIP Outreach evaluation process. Respondents must have a bid/quote from each potential subconsultant listed on their Schedule A prior to submission of the Schedule A. The submission of the Schedule A is outlined in G herein. Respondents are encouraged to submit all of their bids/quotes with their RFB response submittal. Respondents will not be able to edit their Summary Sheet on the BAVN's BIP Outreach Summary Sheet function after 4:30 p.m. on the first calendar day following the day of the RFB response submittal deadline. City staff will access the BAVN and verify compliance with the summary sheet provision of this indicator after the RFB submission deadline. Respondents are required to have each of the subconsultants on their Schedule A registered on the BAVN prior to being awarded the contract.

#### **BOND, LINES OF CREDIT, AND INSURANCE ASSISTANCE**

Each notification by the respondent shall also include an offer of assistance to interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in obtaining bonds, lines of credit, or insurance required by the Awarding Authority or proposer.

**Required Documentation:** Include in Indicator 4, information about the respondent's efforts to assist with bonds, lines of credit and insurance. The notification must be performed using the BAVN's BIP Outreach system.

**Note:** At the time a respondent utilizes the BAVN's BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN's BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFB response submittal deadline. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording seriously limits potential subconsultant responses or is deemed contrary to the intent of this indicator. City staff will access the BAVN and verify compliance with this indicator after the RFB submission deadline.

The respondent shall submit completed BIP Outreach documentation either via the BAVN's BIP Outreach system or prior to award, as specified for each indicator. The Board in its review of the BIP Outreach documentation may request additional information to validate and/or clarify that the BIP Outreach submission was adequate. Any additional information submitted after the response due date and time will be treated at a higher level of scrutiny and may require third party documentation in order to substantiate its authenticity. Such information shall be submitted promptly upon request by the Board.

#### **D. AWARD OF CONTRACT**

The Board reserves the right to reject any and all RFB responses. The award of a contract will be to the responsive, responsible Respondent whose submittal complies with all requirements prescribed herein. This includes compliance with the required BIP Outreach. A positive and adequate demonstration to the satisfaction of the Board that a BIP Outreach to include potential MBE/WBE/SBE/EBE/DVBE/OBE subconsultants' participation was made is a condition for eligibility for award of the contract.

In the event that the Board considers awarding away from a respondent because of the respondent's failure to supply adequate BIP Outreach documentation, the Board shall afford the respondent an opportunity to present further evidence to the Board prior to a public hearing of the respondent's BIP Outreach evaluation.

**E. SUBCONSULTANT SUBSTITUTION**

In addition to the requirements set forth in the provisions pertaining to the listing of potential subconsultants, the following shall apply for the purpose of this Program:

1. Substitution During Contract Duration: The contract award requires that the level of all subconsultant participation shall be maintained throughout the duration of the contract. To this extent, any unapproved reduction in the listed subcontract amount will be considered an unauthorized substitution.
  - a. The Consultant shall request approval of the Board for all substitutions of bid-listed (Schedule B) subconsultants.
  - b. The request shall be in writing and submitted to the designated Project Manager for the Board. The request shall give the reason for the substitution, the name of the subconsultant and the name of the replacement.
2. MBE/WBE/SBE/EBE/DVBE/OBE Subconsultant Substitution: The Board requires that whenever the Consultant seeks to substitute a bid-listed (Schedule B) subconsultant, the Consultant must make a BIP Outreach to replace the subconsultant.
  - a. The Consultant shall contact some of each of the following: certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects from each trade (see Schedule A) for which sub-bid/subconsulting work is available and document the following for submittal:
    1. Name of company contacted; contact person and telephone number; date and time of contact.
    2. Response for each item of work which was solicited, including dollar amounts.
    3. Reason for selection or rejection of sub-bid prospect.
    4. In the event that the Consultant is unable to find some certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects, (first from their Schedule A, then from other outreach methods) for each trade, the Consultant should contact the Office of Contract Compliance by e-mail at [bca.biphelp@lacity.org](mailto:bca.biphelp@lacity.org) for assistance prior to certifying under penalty of perjury that it was unable to fully meet this requirement.
  - b. The Consultant shall submit all documentation to the Department's Project Manager who may refer it to the Office of Contract Compliance for review and approval.
3. In the event that a subcontract is reduced due to a project change that will not be specified in a change order, the Consultant shall request approval for reducing the subcontract by documenting the following for submittal:

- a. The name of the company for which the subcontract reduction is requested and the dollar amount of the reduction.
- b. The reason for the reduction. Specific details should be given in order for the Consultant's request to be processed promptly.
- c. The Consultant shall submit all documentation to the Department's Project Manager who may refer it to the Office of Contract Compliance for review and approval.

**F. SUB-AGREEMENT FALSIFICATION**

Falsification or misrepresentation of a sub-agreement as to company name, contract amount and/or actual work to be done by the sub-bidder/subconsultant will result in sanctions set forth in provisions pertaining to listing of subconsultants.

**G. SUBMITTAL DOCUMENTS**

1. List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants (Schedule A)

Respondents shall submit with their RFB response the List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants, provided herein as Schedule A. The respondent shall list the name, address, telephone, contact person and a description of work or supplies to be provided by each of the firms which may be utilized to perform portions of work in a specific task. This list is considered the respondent's list of prequalified subconsultants which will be utilized when preparing a proposal/bid/submission of qualification for a specific project or task work order. For this reason, it is expected that the respondent will list multiple potential subconsultants for each specific area of work. Respondents are expected to only use the firms listed on the Schedule A when preparing a proposal/bid/submission of qualification for a specific project or task work order. In the event that the respondent has either a desire to update their Schedule A or a need to solicit subconsultants that are not on the Schedule A, the respondent will be expected to perform an outreach which, at a minimum, conforms to the requirements set forth under "E. Subconsultant Substitutions" of this document.

2. Task Work Order List of Subconsultants (Schedule B)

At the time a specific task work order is assigned to the consultant, the consultant must submit the Task Work Order List of Subconsultants (Schedule B). The Schedule B is required prior to commencement of work. The consultant is committing itself to utilizing the subconsultants listed on this schedule for the portions of work and subcontract amounts for which they are listed. It is expected that the subconsultants listed on the Schedule B will be from the pool of potential subconsultants listed on the Schedule A. If the consultant needs to list subconsultants that are not on their Schedule A, the consultant needs to refer to the directions included under "1. List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants (Schedule A)" for additional details on the process for adding subconsultants to their Schedule A.

3. MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule C)

During the term of the contract, the consultant must submit a separate MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule C) for each task work order when submitting an invoice to the City.

4. Final Subconsulting Report (Schedule D)

Upon completion of each task work order, a summary of these records shall be prepared on the "Final Report of Subconsulting and Purchases" form (Schedule D) and certified correct by the consultant or its authorized representative. The completed form shall be furnished to the Department within 15 working days after completion of the task work order.

**H. RESPONSIBILITY FOR IMPLEMENTATION AND MONITORING**

The Bureau which acts as the City's Project Manager for the resulting contract will be the responsible entity for proper implementation and monitoring of the policy.

**I. AWARD OF CONTRACT**

Nothing herein restricts the discretion of the Board of Public Works to reject all proposals/bids/submissions of qualifications in accordance with Charter Section 371.

## BIDDER RESPONSIBILITIES

A bidder is any person who bids on or submits a proposal or other response to a City contract solicitation, whether it involves a competitive or a non-competitive selection process.

You are a bidder required to complete Form 55 when all of the following apply:

- You submit a response or proposal for an RFP (request for proposals), RFQ (request for qualifications), RFB (request for bids), or any other written or verbal request to enter into a competitive or non-competitive City contract; and
- The contract is expected to be valued at \$100,000 or more; and
- The contract must be approved by an elected office (City Council, Mayor, City Controller, or City Attorney).

For purposes of Form 55, a **contract** is any agreement, franchise, lease, non-regulatory permit, land use license or easement, or concession with the City that meets the qualifications listed above. This includes an agreement for the performance of any work, service, or construction; the provision of any materials, goods, or equipment; the sale or purchase of property; and the making of grants. This also includes the selection of a pre-qualified list of persons to contract with the City if the RFQ's not-to-exceed amount is at least \$100,000 and the list selection requires approval by an elected City office. The definition does not include a contract with another government agency or a contract between a City proprietary department and an underwriting firm for a noncompetitive sale of revenue bonds.

Form 55 is used to disclose information about the following individuals and entities:

- You (the bidder);
- Your principals;
- Your subcontractors with subcontracts valued at \$100,000 or more; and
- The principals of those subcontractors.

The campaign finance restrictions and requirements in [Los Angeles City Charter § 470\(c\)\(12\)](#) and [Los Angeles Municipal Code § 49.7.35](#) apply to all of those individuals and entities. They are subject to the laws because of the positions they hold in relation to a City bid, not because they are disclosed on your Form 55. See section G for more information.

You are required to do all of the following:

1. **Submit** a completed Form 55 with your bid or proposal documents to the City department awarding the contract.
2. **Amend** your Form 55 within 10 business days if the information in the form changes after you submit it with your bid or proposal.
3. **Notify** your principals and subcontractors of the campaign finance restrictions and requirements that apply to them.

## PAGE 1: COVER PAGE AND BIDDER INFORMATION

You must complete all sections on the cover page.

### **CHILD CARE POLICIES**

Any Responders who have an employee need of child care and who have adopted a stated policy on child care shall receive preference in contracting with the City of Los Angeles. In order to determine which firms qualify for contract preference, all Respondents must complete and return with their response the Vendor Child Care Policy Program – Child Care Declaration Statement. #### **INSTRUCTIONS:**

1. Complete and sign the document in two (2) places.

## CHILD CARE POLICIES

This Contract is subject to the policy of the City of Los Angeles regarding City Child Care Policies and Vendor System as adopted by City Council. CONTRACTOR is required to complete the Child Care Declaration statement which is attached hereto as Form D and Form E.

- I. City Child Care Policy and Vendor System – On February 24, 1987, the City Council adopted the Child Care Policy for the City of Los Angeles. This policy acknowledges the importance of quality, affordable, accessible child care to the individual, family, work place and community. The City further recognizes that existing child care services and facilities are not adequate to meet current demand, and that such demand is increasing. Failure to address this critical unmet need will have serious, detrimental effects on the physical, social and economic life of Los Angeles. Thus, the City Child Care Policy was adopted, committing the City to use its resources as educator, employer, model and facilitator to act as a catalyst in expanding the supply of quality, affordable child care in Los Angeles.

The City Child Care Policy includes an item specifically designed to address the development and implementation of child care policies and practices by vendors, as follows:

THE CITY OF LOS ANGELES SHALL ENCOURAGE ALL ITS VENDORS TO ADOPT A STATED POLICY ON CHILD CARE. TO THE EXTENT PERMITTED BY LAW, VENDORS WITH STATED CHILD CARE POLICIES SHALL RECEIVE PREFERENCE IN CONTRACTING WITH THE CITY OF LOS ANGELES.

It is the goal of the City to promote and facilitate the establishment and implementation of child care policies and practices which address the critical unmet local need for quality, affordable child care services.

A company may, after a review and due consideration, determine that child care is not an employee need or that a child benefit/service cannot feasibly be offered by the company. In this case, a written policy statement to this effect would also qualify a company for the vendor preference.

- II. Request Child Care Policy Information from Vendors – All vendor applicants should complete the “Child Care Declaration Statement” form, declaring whether the business has a stated child care policy and/or offers any form of child care assistance to employees. Those vendors indicating they have a stated child care policy for employees should file a copy of said policy along with the “Declaration Form”.
- III. Definition of a Stated Child Care Policy – A “Stated Child Care Policy” is a written statement of intent and/or attitude by an employer regarding the provision of child care assistance to employees.
- IV. Definitions of Child Care Assistance – The following definitions apply to the various forms of child care assistance listed on the “Child Care Declaration Statement.”
  - A. EMPLOYER SUBSIDIZED CHILD CARE CENTER(S) –

Care for up to fourteen (14) children in the home of a licensed caregiver; may include one (1) home or a network of two (2) or more family day care homes, which receive funds, goods and/or services from an employer who thus subsidizes part of all of the home operating costs; employees of the subsidizing employer may enroll dependents in this care home.
- C. **CHILD CARE REIMBURSEMENT IN ADDITION TO OTHER BENEFITS** Employer helps employees pay for child care expenses by reimbursing the employee or his/her care provider for all or part of the cost of child care; allows employee to select the child care provider, or employer may designate providers or conditions (e.g. only reimburse licensed providers); such reimbursement is provided to the employee in addition to the other employee benefits.

## SECTION T

### CITY-APPROVED PROOF OF INSURANCE

Evidence of sufficient insurance as specified on the 146 Insurance Requirements Form (see Section II Compliance Package) must be provided and approved prior to contract execution. The selected Contractor must instruct their insurance broker or agent to submit the appropriate proof of insurance to the City by accessing KwikComply at <https://kwikcomply.org/>. Additional instructions and information on complying with City insurance requirements can be found at: <http://cao.lacity.org/risk>

# CITY OF LOS ANGELES

## INSTRUCTIONS AND INFORMATION ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

- 1. Agreement/Reference** All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.
- 2. When to Submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.
- 3. Acceptable Evidence and Approval** Electronic submission is the required method of submitting your documents. **KwikComply** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format. **KwikComply** advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

**Contractor must provide City** a thirty (30) day notice of cancellation (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named

Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **KwikComply** at <https://kwikcomply.org/>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at ([www.2sparta.com](http://www.2sparta.com)), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single- person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). **A Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property** Insurance is required for persons having exclusive use of premises or equipment

owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.

#### **INSTRUCTIONS:**

Respondents shall comply with the City insurance requirements in Form Gen 146 (see separate exhibit attached to RFQ, RFB, RFP) and have all insurance documents submitted and approved prior to execution of the contract. The Respondent must also comply with any additional insurance requirements that may be set forth in the RFQ, RFB, RFP.

## **ENDNOTES FOR LWO SUBCONTRACTOR INFORMATION FORM**

- <sup>1</sup> **Non-Profit 501(c)(3) Organizations:** A corporation claiming exemption under Section 10.37.1(g) of the LWO as a corporation organized under Section 501 (c)(3) of the United States Internal Revenue Code must provide the following additional documents in support of the application for exemption:
- (A) A copy of the most recent IRS letter indicating that the contractor has been recognized as a non-profit corporation organized under section 501 (c)(3) of the United States Internal Revenue Code.
  - (B) An application for non-coverage or exemption, including the non-profit salary certification on the form referred to in Appendix A. The salary certification must list the salary of the corporation's chief executive officer (CEO), computed on an hourly basis, and the hourly wage rate of the lowest paid worker in the corporation. The salary of the CEO, when computed on an hourly basis, must be less than eight (8) times what the lowest paid worker is paid on an hourly basis. For purposes of this exemption, the "chief executive officer (CEO)" means the CEO of the 501(c)(3) corporation that entered into the agreement
- <sup>2</sup> **One-Person Contractor:** A contractor may apply for exemption under Section 10.37.1(f) of the LWO if that contractor has no employees. The one-person contractor shall submit an application for non-coverage or exemption to the awarding authority on the form referred to in Appendix A with the appropriate one-person contractor certification. If, subsequent to the approval of the exemption application, the contractor hires any employees, the exemption is no longer valid. Any employee the contractor hires becomes covered by the LWO to the extent that the employee performs work on the City agreement. In such cases, the contractor shall notify the awarding authority of the change in circumstances and submit to the awarding authority all the necessary forms to comply with the LWO reporting requirements, including the employee and subcontractor information forms.
- <sup>3</sup> **Exemption by Collective Bargaining Agreement – LAAC 10.37.12:** An employer subject to provisions of the LWO may, by collective bargaining agreement (CBA), provide that the CBA, during its term, shall supersede the requirements of the LWO for those employees covered by the CBA. The provisions of the LWO should not be interpreted to require an employer to reduce the wages and benefits required by a collective bargaining agreement. All parties to the CBA must specifically waive in full or in part the benefits required by the LWO. An employer applying for this exemption shall submit a copy of the CBA. If the CBA does not specifically indicate that the LWO has been superseded, the employer shall submit written confirmation from the union representing the employees working on the agreement that the union and the employer have agreed to let the CBA supersede the LWO.
- (A) **Provisional Exemption from LWO during negotiation of CBA:** An employer subject to the LWO may apply for Provisional Exemption from the LWO if the employer can document that: (1) the union and the employer are currently engaged in negotiations regarding the terms of the CBA; and (2) the issue of allowing the CBA to supersede the LWO has been proposed as an issue to be addressed during the negotiations. If granted, Provisional Exemption status is valid until the end of the negotiation process, including, if applicable, impasse resolution proceedings. During the negotiation process, the employer shall provide, upon request from the OCC, status reports on the progress of negotiations. At the end of the negotiation process, the employer shall provide the OCC with a copy of the final CBA to verify whether the LWO has been superseded, and the effective dates of the CBA.
- (i) If the final CBA signed by the employer and the union supersedes the LWO, the employer shall be considered to be exempt from the LWO's wage and benefits provisions for the time period covered by the effective dates of the superseding CBA. The employer remains subject to all applicable provisions of the LWO for the time period not covered by the superseding CBA. If the employer has not complied with the LWO requirements during the time period not covered by the superseding CBA, the employer shall be required to make retroactive corrections for any period of non-compliance, which may include making retroactive payments to affected employees for the relevant periods of non-compliance.
  - (ii) If the final CBA signed by the employer and the union does not supersede the LWO, the employer shall be required to comply with all applicable LWO requirements, including the wage and benefits provisions. Compliance shall also be required retroactively to the date that the employer first became subject to the LWO. If necessary, the employer shall provide retroactive payments to affected employees for any time period during which the employer did not comply with the LWO.
- <sup>4</sup> **Occupational license - LAAC 10.37.1(f): Exemptions for Employees Requiring Occupational Licenses:** If an employer claims that the LWO does not apply to an employee pursuant to section 10.37.1(f) because an occupational license is required of the employee to perform the work, the employer shall submit to the awarding authority, along with the application for non-coverage or exemption, a list of the employees required to possess an occupational license, the type of occupational license required, and a copy of the occupational license itself. An exemption granted under this provision exempts only the employee who must possess an occupational license to perform work on the City agreement. If an occupational license is not required of an employee to perform the work, the employee remains covered by the LWO.
- <sup>5</sup> **Small Business Exemptions for Public Lessees and Licensees – LAAC 10.37.1(i):** A public lessee or licensee claiming exemption from the LWO under section 10.37.1(i) shall submit the small business application for exemption form referred to in

Appendix A along with supporting documentation to verify that it meets both of the following requirements:

The lessee's or licensee's gross revenues from all business(es) conducted on the City premises for the calendar year prior to the date of the application for exemption do not exceed the gross annual revenue amount set by the LWO in Section 10.37.1(i). That gross revenue amount shall be adjusted annually according to the requirements of the LWO. The gross revenue amount used in evaluating whether the lessee or licensee qualifies for this exemption shall be the gross revenue amount in effect at the time the OCC receives the application for exemption.

A public lessee or licensee beginning its first year of operation on a specific City property will have no records of gross annual revenue on the City property. Under such circumstances, the lessee or licensee may qualify for a small business exemption by submitting proof of its annual gross revenues for the last tax year prior to application no matter where the business was located, and by satisfying all other requirements pursuant to these regulations and the LWO.

A lessee or licensee beginning its first year of operation as a business will have no records of gross annual revenue. Under such circumstances, the lessee or licensee may qualify for a small business exemption by satisfying all other requirements pursuant to these regulations and the LWO.

(A) The lessee or licensee employs no more than seven (7) employees.

(i) For purposes of this exemption, a lessee or licensee shall be deemed to employ a worker if the worker is an employee of a company or entity that is owned or controlled by the lessee or licensee, regardless of where the company or entity is located; or if the worker is an employee of a company or entity that owns or controls the lessee or licensee, regardless of where the company or entity is located.

Whether the lessee or licensee meets the seven (7) employee limit provided for in Section 10.37.1(i) of the LWO shall be determined using the total number of workers employed by all companies or businesses which the lessee or licensee owns or controls, or which own or control the lessee or licensee. Control means that one company owns a controlling interest in another company.

(ii) If a business operated by the lessee or licensee is part of a chain of businesses, the total number of employees shall include all workers employed by the entire chain of businesses unless the business operated by the lessee or licensee is an independently owned and operated franchise.

(iii) A public lessee or licensee shall be deemed to employ no more than seven (7) employees if its entire workforce (inclusive of those employees falling within the guidelines stated in subsections (i) and (ii) immediately above) worked an average of no more than 1,214 hours per month for at least three-fourths of the time period that the revenue limitation provided for in section 10.37.1(i) is measured.

Until the OCC approves the application for exemption, the lessee or licensee shall be subject to the LWO and shall comply with its requirements. If the OCC approves the application, the lessee or licensee shall be exempt from the requirements of the LWO for a period of two years from the date of the approval. The exemption will expire two years from the date of approval, but may be renewable in two-year increments upon meeting the requirements.

<sup>6</sup> **Governmental Entities – LAAC 10.37.1(g):** Agreements with governmental entities are exempt from the requirements of the LWO. If an agreement is exempt from the LWO because the contractor is a governmental entity, subcontractors performing work for the governmental entity on the agreement are also exempt.

# LWO – OCC SMALL BUSINESS EXEMPTION APPLICATION

## EXEMPTION THAT REQUIRES OCC APPROVAL

**This application for exemption is for lessees and licensees only and must be submitted along with your proposal/bid/submission of qualification to the AWARDDING DEPARTMENT. If approved, it will EXPIRE TWO (2) YEARS from the date of approval. This may be renewable in two (2) year increments upon meeting the requirements. INCOMPLETE SUBMISSIONS WILL BE RETURNED.**

Los Angeles Administrative Code 10.37, the Living Wage Ordinance (LWO), presumes all City contractors (including service contractors, subcontractors, financial assistance recipients, lessees, licensees, sublessees and sublicensees) are subject to the LWO unless an exemption applies.

## STANDARD PROVISIONS FOR CITY CONTRACTS

### PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

### PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

### PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

#### **PSC-4. Integrated Contract**

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

#### **PSC-5. Amendment**

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

#### **PSC-6. Excusable Delays**

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

#### **PSC-7. Waiver**

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

## **PSC-8. Suspension**

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

## **PSC-9. Termination**

### **A. Termination for Convenience**

**CITY** may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

### **B. Termination for Breach of Contract**

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
  - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
  - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
  - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
  - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
  6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
  7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
  8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

**PSC-10. Independent Contractor**

**CONTRACTOR** is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

**PSC-11. Contractor's Personnel**

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

**CONTRACTOR** shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

#### **PSC-12. Assignment and Delegation**

**CONTRACTOR** may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

#### **PSC-13. Permits**

**CONTRACTOR** and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

#### **PSC-14. Claims for Labor and Materials**

**CONTRACTOR** shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

#### **PSC-15. Current Los Angeles City Business Tax Registration Certificate Required**

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

#### **PSC-16. Retention of Records, Audit and Reports**

**CONTRACTOR** shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

#### **PSC-17. Bonds**

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

#### **PSC-18. Indemnification**

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-19. Intellectual Property Indemnification**

**CONTRACTOR**, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

#### **PSC-20. Intellectual Property Warranty**

**CONTRACTOR** represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

#### **PSC-21. Ownership and License**

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

**CONTRACTOR** agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

**CONTRACTOR** shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

**PSC-22. Data Protection**

- A. **CONTRACTOR** shall protect, using the most secure means and technology that is commercially available, **CITY**-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). **CONTRACTOR** shall notify **CITY** in writing as soon as reasonably feasible, and in any event within twenty-four hours, of **CONTRACTOR’S** discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. **CONTRACTOR** shall begin remediation immediately. **CONTRACTOR** shall provide daily updates, or more frequently if required by **CITY**, regarding findings and actions performed by **CONTRACTOR** until the Data Breach or Security Incident has been effectively resolved to **CITY’S** satisfaction. **CONTRACTOR** shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with **CITY**. At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.
- B. If **CITY** is subject to liability for any Data Breach or Security Incident, then **CONTRACTOR** shall fully indemnify and hold harmless **CITY** and defend against any resulting actions.

Failure of **CONTRACTOR** to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment or Notices of Assignment, or the failure of any principal owner(s) of **CONTRACTOR** to comply with any Wage and Earnings Assignment or Notices of Assignment applicable to them personally, shall constitute a default by the **CONTRACTOR** under this Contract. **PSC-41. Compliance with California Public Resources Code Section 5164**

California Public Resources Code Section 5164 prohibits a public agency from hiring a person for employment or as a volunteer to perform services at any park, playground, or community center used for recreational purposes in a position that has supervisory or disciplinary authority over any minor, if the person has been convicted of certain crimes as referenced in the Penal Code, and articulated in California Public Resources Code Section 5164(a)(2).

If applicable, **CONTRACTOR** shall comply with California Public Resources Code Section 5164, and shall additionally adhere to all rules and regulations that have been adopted or that may be adopted by **CITY**. **CONTRACTOR** is required to have all employees, volunteers and Subcontractors (including all employees and volunteers of any Subcontractor) of **CONTRACTOR** working on premises to pass a fingerprint and background check through the California Department of Justice at **CONTRACTOR’S** sole expense, indicating that such individuals have never been convicted of certain crimes as referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2), if the individual will have supervisory or disciplinary authority over any minor.

**PSC-42. Possessory Interests Tax**

Rights granted to **CONTRACTOR** by **CITY** may create a possessory interest. **CONTRACTOR** agrees that any possessory interest created may be subject to California Revenue and Taxation Code Section 107.6 and a property tax may be levied on that possessory interest. If applicable, **CONTRACTOR** shall pay the property tax. **CONTRACTOR** acknowledges that the notice required under California Revenue and Taxation Code Section 107.6 has been provided.

### **PSC-43. Confidentiality**

All documents, information and materials provided to **CONTRACTOR** by **CITY** or developed by **CONTRACTOR** pursuant to this Contract (collectively “Confidential Information”) are confidential. **CONTRACTOR** shall not provide or disclose any Confidential Information or their contents or any information therein, either orally or in writing, to any person or entity, except as authorized by **CITY** or as required by law. **CONTRACTOR** shall immediately notify **CITY** of any attempt by a third party to obtain access to any Confidential Information. This provision will survive expiration or termination of this Contract.

### **PSC-44. COVID-19**

Employees of Contractor and/or persons working on its behalf, including, but not limited to, subcontractors (collectively, “Contractor Personnel”), while performing services under this Agreement and prior to interacting in person with City employees, contractors, volunteers, or members of the public (collectively, “In-Person Services”) must be fully vaccinated against the novel coronavirus 2019 (“COVID-19”). “Fully vaccinated” means that 14 or more days have passed since Contractor Personnel have received the final dose of a two-dose COVID-19 vaccine series (Moderna or Pfizer-BioNTech) or a single dose of a one-dose COVID-19 vaccine (Johnson & Johnson/Janssen) and all booster doses recommended by the Centers for Disease Control and Prevention. Prior to assigning Contractor Personnel to perform In-Person Services, Contractor shall obtain proof that such Contractor Personnel have been fully vaccinated. Contractor shall retain such proof for the document retention period set forth in this Agreement. Contractor shall grant medical or religious exemptions (“Exemptions”) to Contractor Personnel as required by law. If Contractor wishes to assign Contractor Personnel with Exemptions to perform In-Person Services, Contractor shall require such Contractor Personnel to undergo weekly COVID-19 testing, with the full cost of testing to be borne by Contractor. If Contractor Personnel test positive, they shall not be assigned to perform In-Person Services or, to the extent they have already been performing In-Person Services, shall be immediately removed from those assignments. Furthermore, Contractor shall immediately notify City if Contractor Personnel performing In-Person Services (1) have tested positive for or have been diagnosed with COVID-19, (2) have been informed by a medical professional that they are likely to have COVID-19, or (3) meet the criteria for isolation under applicable government orders.

### **PSC-45. Contractor Data Reporting**

Contractor shall further request, on an annual basis, that any Subcontractor input or update its business profile, including the Contractor/Subcontractor Information, on RAMP or via another method prescribed by City.

**INSURANCE CONTRACTUAL REQUIREMENTS**

**CONTACT** For additional information about compliance with City Insurance and Bond requirements, contact the Office of the City Administrative Officer, Risk Management at (213) 978-RISK (7475) or go online at [www.lacity.org/cao/risk](http://www.lacity.org/cao/risk). The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

**CONTRACTUAL REQUIREMENTS**

CONTRACTOR AGREES THAT:

- 1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.
- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

**7. California Licensee.** All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

**8. Aggregate Limits/Impairment.** If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

**9. Commencement of Work.** For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
