The primary purpose of adult sports programs is to offer each resident of our city the opportunity to pursue, through competitive sports, the physical and emotional benefits such activity offers. All too often the emphasis in such participation has been placed on winning at any cost. It should be remembered that in every competitive sports activity there are winners and losers. The purpose of this Code of Conduct, applicable to every participant, is to engender and motivate a return to good sportsmanship, proper conduct on and off the field, and full compliance with the rules and policies of the Los Angeles Municipal Sports Section. Every individual and team participating has adequate recourse through established procedures in the filing of complaints or protest. Effective immediately, the Code of Conduct, as defined below, is in force. Team managers will carefully review the rules and requirements herewith set forth and make them known to their players. They are solely responsible for actions of their teams and players on and off the field. Improper behavior on the part of any participant can directly affect the future participation by the entire team. No alcoholic beverages and smoking allowed in or on recreation centers or school grounds by players and spectators. Penalty: Immediate suspension and loss of league fees.

Code of Conduct

The Participant's Code of Conduct applies to all players, coaches, and managers. This code applies to players as individuals or as a team, and the penalties can be applied to any individual or an entire team. This code becomes effective as soon as the participants arrive at the facility of play and remains in effect until the participants leave the facility.
